Dear Community Partner,

Henry Hudson Elementary is one of Vancouver's oldest elementary schools. Our little red schoolhouse at the corner of Cornwall and Cypress boasts a vibrant school of 400 wonderful students in French and English programs.

Our parent community is very active and committed to creating dozens of fantastic events and initiatives for the students and families to enjoy throughout the year.

Winter Fair is our signature event of the year. More than 800 students, parents, teachers and neighbours will descend on our gym, on Friday December 4th, to celebrate the winter season with all sorts of activities, games, food, Kids Market, raffles and much more.

This year, our theme is *Winter Around the World Fair*. We are celebrating what winter represents culturally on each continent. The students receive 'passports' to travel Winter Around the World, to each continent, and play as many games and do as many crafts as they want, before they 'clear Canadian Customs' to receive a special prize pack!

Our Winter Fair is completely volunteer-led, and it requires a huge amount of effort, but it is always a huge success! We would love for you to be a part of it this year! We are requesting donations of services or products that we can use in our Raffle or Silent Auction. The money raised goes 100% to PAC initiatives for the students such a dance and arts programs, sports, music, new laptops, school resource materials, field trips and much more. Your donation would help the school to continue its diverse and rewarding programs for the kids. We would be happy to include you as a part of our celebration in any capacity. Please contact our Raffle and Silent Auction Director, Shellee O'Leary at shelleeo@shaw.ca to donate or for more information.

With sincerest thanks!
