Dear Parents,

We are excited to announce a special opportunity provided to students in Grades 5,6 & 7. Cycling BC will be joining our Hudson community to provide the iRide School Program. This program focuses on bicycle safety and riding techniques to encourage students to develop a lifelong love of cycling.

Classes will be held on school grounds May 29th, June 5th, & June 19th. This program is free for our first year and features low-cost opportunities for future years. This program is paid for by the Hudson PAC.

Each participating class will receive 3, one hour sessions over the course of the 3-day program, providing opportunities to develop safety awareness, build skills and interact with their peers.

HOW DO I REGISTER MY CHILD?
