

Grades 1-4

Escape Room

At Henry Hudson Elementary

Awesome Escape Rooms 4 Kids

Awesome Escape Rooms 4 Kids is coming to Henry Hudson Elementary to bring some escape room excitement to your school. Participants choose their escape room theme and then make puzzles, ciphers, challenges and props for their escape room. On the last day, parents try to escape the room in time. All escape rooms are different. Participants learn and practice all the core competency skills as they co-design, build and test their escape room.
