Vancouver Parents Meeting April 2019

#JoinCPFbcyk

**Support French language learning in your community
Become a member today!**

Are you passionate about French education?

This invitation is for parents of French Immersion students in VSB schools.

**Join us for an info session about Canadian Parents for French
on Thursday, April 11th at 6:30 pm**

Laura Secord Elementary School, 2500 Lakewood Drive

If you are passionate about French education and want to get involved in your community, we'd love to meet you!

CPF is a national network of parent volunteers who support bilingualism, French-as-second language learning and creating and promoting opportunities for youth to speak French.

CPF BC & Yukon has over 40 chapters across the region, which are district-wide group of volunteers who support French language learning in their communities at the local level. Chapters host French-themed activities and events, advocate for their children within the school system and create supportive networks of parent volunteers.

The info session will highlight the benefits of forming a local chapter and what role it can play in children's education. Feel free to invite parents interested in finding out more about CPF and starting a chapter!

Have questions? Contact us at outreach@cpf.bc.ca.
