

## Seismic Upgrade Letter Writing Instructions

Dear Hudson Parents and Guardians,

The Hudson PAC Executive, especially the Seismic Committee, has been working to encourage expansion to handle Hudson's space needs.

We encourage parents to write to as many Members of the BC Legislature (MLAs) as possible (and the Chair of the VSB) to advocate for funding, so that when the school is repaired or rebuilt, it will be done correctly.

You will find a letter that covers the basics of the situation [HERE](#). We suggest you edit and personalize the letter. Please make sure to change the [[square bracketed]] sections and remove the square brackets.

Personalizing the letter and explaining the concerns you have for your own family is best. Snail mail and email both are effective, especially if a lot of us send them.
