Foundation Skills Assessments (FSAs)

The Foundation Skills Assessment (FSA) will be conducted in Grade 4 and 7 classrooms across BC from October 3 until November 10th, 2022. The FSA is an annual provincial assessment of numeracy and literacy skills. Students will also complete numeracy and literacy graduation assessments in Grade 10 and 12. The results of the FSA's are helpful to the Ministry, school district, and the school as they provide a snapshot of how our students are doing in these two areas. Individual student results will be available to parents/guardians, teachers, and students. Individual results are not made public, nor are they used on the child's report card. If you have any questions about these materials, how the FSA will be conducted in our school, or the implications for your child, please contact the school principal or vice-principal.

Diversity Club

Diversity Club is back! Are you wondering what Diversity Club is? It is a safe space where kids can talk about topics like personal identity and empowerment, anti-bullying, allyship, and the LGBTQ2S+ community. The club meets on Thursdays at lunch from 12:05pm-12:50pm in the art room. Come out and get to know other students who share your interests, take part in projects, and plan events for the school like Pink Shirt Day and Pride Month.
