Admin Team Message

As we start to notice the small buds shooting up from the muddy ground and the birds chirping in the morning, we are reminded that spring is finally here! I am excited to announce that Ms. Gill will be gradually returning to Hudson starting next Wednesday in the morning. In the meantime, for the month of April Ms. Cary Stewart will continue to provide intermediate resource support to students.

Grade 7 Leaving Ceremony – Save the Date

Our grade 7 leaving ceremony will take place on **Wednesday, June 25th from 11:15am-12pm** in the gym. More information about the ceremony will be provided in June to grade 7 parents from the classroom teachers.

Breakfast Club

Starting on **Monday, April 7 at 8:30am until 8:50am** Hudson will be having a breakfast club through a generous donation from President's Choice Children's Charity. An elementary school breakfast club is a program that provides students with a nutritious breakfast before the school day begins, offering a safe and supervised environment to eat and socialize, potentially improving academic performance, behavior, and overall well-being. Breakfast club will offer toast, yogurt, and fruit options on **Mondays, Wednesdays, and Fridays**. Students are welcome to pick up food and then head outside to eat and socialize before school begins.

Generation Health Community Program

Generation Health Community is a **FREE 10-week healthy lifestyle program** families with children between the ages of 8-12, delivered through YMCA BC and in partnership with the Childhood Healthy Living Foundation. Program participants will meet virtually or in person to learn about healthy eating, physical activity, goal setting, body image, self-esteem and more!

They have 4 program days to choose from: Wednesday, Thursday, or Friday Virtually or Sunday in-person. This program requires prior registration through these details: phone 1-888-650-3141 or send an e-mail to generationhealth@bc.ymca.ca

Families who join this program receive a complimentary membership to the YMCA.

Student Learning Surveys

The Provincial Student Learning Survey is unique in its scope, size, and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

In January, students were administered the Student Learning Survey in grades 4 and 7. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at

<https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>

Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section. The e-survey site will be open until **May 2nd**.

Parent Advisory Council Information

PAC Meeting

The next Parent Advisory Council meeting will be on **Thursday, April 17th**. All parents are invited and strongly encouraged to attend. Children are welcome and babysitting will be provided by Petit Cafe. We look forward to seeing you all there! Please check the PAC website for more information and updates. hudsonpac.ca
