Admin Team Message

Time has flown by, and June is here on Sunday! This is a reflective time of year for educators and students. It is a time to celebrate the successes and growth that has been made, along with the wonderful memories that have been shared as a school. June is a very busy month with many celebrations, field trip opportunities, and guest speakers. Classroom teachers will communicate directly with families through Teams, email, and/or agendas regarding individual class field trips and celebrations. Please check SchoolCash online to ensure your account is up to date for payment of school fees, field trips, etc. Don't forget that next week is Bike to School Week!

Bike to School Week

Bike to School Week is an annual celebration where we encourage students of all ages to bike, roll, or walk to school. Active travel to and from school is associated with positive environmental, social, and safety benefits for students of all ages. This year, the event takes place from June 2-6, 2025.

169 schools across Metro Vancouver participated in 2024, with almost 16,000 riders logging over 80,000 active travel trips!

Class Organization 2025

Towards the end of the school year, the staff will put a tremendous amount of thought into the organization of classes for next year. We approach each student placement decision carefully. Each student's social, emotional, and academic needs are considered. In addition, we consider students as English Language Learners, students with special needs, leadership abilities, cohesive student groupings, previous classroom history, as well as class-size and composition (Ministry/VBE guidelines).

Please note that forms requesting a specific teacher are **not** being accepted by the school, however, if you have information about your child's social, emotional, and academic needs that you feel is important for us to know to ensure the correct learning environment for your child, you are welcome to complete the following form before **Friday, June 6**. A submitted request form is **not** a guarantee of placement.

June is Pride Month

Do you know the history of Pride Month? Pride Month is celebrated annually in June. The month is dedicated to celebrating LGBTQ2S+ communities all around the world, to uplift their voices and support their rights in achieving equal justice and equal opportunity. Hudson supports every individual and their path to learning and understanding their own identities.

Rainbow Day

To celebrate Pride Month at Hudson, Friday, June 13th will be Rainbow Day! There will be a variety of stations set up by our Diversity Club students such as face painting, storytelling with our librarian, chalk art, bubbles, Photo Booth, & a dance party.

Message from the Library

As the end of the year approaches, it is time to retrieve all library books. This year, we are asking all students to return all library books by **Friday, June 6th** to allow time for the annual inventory. Students will be advised of any outstanding library books before the end of June.

Run Up for Down Syndrome

Over 1,000 people took part last year in the annual Run Up for Down Syndrome. This year the run will be on Sunday, June 1st to celebrate and support people with Down Syndrome. There is on-site registration that opens at 8:00 am on June 1 at the registration tent inside Swangard Stadium.

Student Fees 2025-2026

We will be keeping all of our basic school fees the same as last year. The *Supply Fee* will be \$35, and *Agendas* \$6 for those classes who use them. Performance fees, activity fees and field study costs will be determined throughout the school year at a classroom level.

***Please check your SchoolCashOnline account, as many families have not paid for school supplies, field trips, Grade 7 hoodies, etc. this year. If you are in need of financial support and would like school fees or field trip costs waived, please contact the principal srondestvedt@vsb.bc.ca**
